Studio News

Things got WILD this weekend at JDS Studio's.
Enjoy our pictures from the JDS Creative Academy's
Spring Showcase

This past Saturday and Sunday, Our Actors performed to a packed house of community members. All gathered for our Spring Showcase and the Production of, The Lion King Jr.

Hakuna Matata! Our audience had no worries when watching “**The Lion King Jr.**” because the show was just that awesome! From top to bottom, the beloved Disney classic captivated the crowd. The experience was amazing, from the detailed African inspired costumes and makeup to the beautifully crafted backdrops and props, all creating an environment that put the audience right into the African Savannah so that the stellar singing voices, passionate acting, and unique choreography could shine and entertain the audience.

We're not "lion", this is one of our best productions yet!

CONGRATULATIONS to the cast and crew on a job well done and THANK YOU to our attendees!
